

A Decade of Giving

Cranberry CUP Neighborhood Fund Challenge

As you know, there are many aspects to the Cranberry CUP:

- To rally around our Inspirational Family to lift their spirits to show them that people really do care.
- To raise as much money as we can to financially assist our Inspirational Family as well as other families in dire need in our community.
- To unite our community and individual neighborhoods.
- Our Inspirational Families show our entire community that, at any time, life can drastically change. They remind us to not take advantage of whom and what we have in our lives.

It takes the entire community to remain focused and accomplish all of those aspects in order to have another successful Cranberry CUP.

We need YOU to help us with our Neighborhood Fund Challenge.

The neighborhood that raises the most money through raffle ticket sales and monetary donations will receive the following:

- 1st round selection in the brackets for the softball games
- Trophy awarded at the opening ceremony
- Catered party for 40 at a restaurant to be determined.
- Recognition at the Opening Ceremony and Kick-off Party
- **Bragging rights to be the neighborhood that “got behind the program” and kicked butt for our Inspirational Family.**

The second and third top fundraiser teams will have second and third choice in the brackets.

You can accomplish this through raffle tickets sales above the minimum (take them to work, set up a table at Walmart, etc.), ask employers to make a donation, garage sales, block parties,...BE CREATIVE!

When sending in donations, please include the donation form so your neighborhood will receive credit for the donation.

All funds that count towards the competition will need to be received before July 11th.
