Date: Sunday, August 8th

Time: 2 pm

Location: Cranberry Community Park – Free and open to all

*The Championship Game will be held at
Cranberry Community Park on Sunday starting at approximately 3:30 pm.*

A LETTER FROM THE CUP

Anthony Bertolino, Cranberry CUP President

Welcome back! The masks are off and now the gloves are on. With the recent decline of the Covid-19 virus in our community, we all have finally been able to drop those uncomfortable masks that have been on our face for the past year and now it is time for us to put the softball and golf gloves back on for the 22nd year of the Cranberry CUP. As we have all navigated through the many unpleasant changes over the past year, the Cranberry CUP has been no exception. With the canceling of our Good Friday Golf Outing in 2020 and again in 2021 as well as the softball and golf tournaments last year, the CUP has seen a significant drop in proceeds over the last 15 months. Despite the drop, the CUP has still been able to support the many requests for help that have developed over the past year including our Christmas support program for needy families in the area.

The start of the year saw light at the end of the tunnel as Covid cases dropped in the early months. With that came a renewed optimism and that wondering question from so many people, "Are we still going to have the CUP this year?" There is an eagerness to return to the excitement and fellowship that the CUP weekend brings to so many. It is a reminder that the CUP truly is Community Uniting People.

Not only do people enjoy the excitement the CUP brings from the competition of events and excitement of the kickoff party, it seems that everyone also enjoys the good feelings that come with helping someone in our community who is in need. This year's beneficiary family is the Kedzierskis. Maciej Kedzierski, his wife Lama, and their 5 children reside in the Pinehurst neighborhood. For the past 15 years, Maciej has been a dedicated emergency room doctor at Butler Memorial Hospital and continued caring for patients during the Covid pandemic. In March 2021, he went in for a routine endoscopy, but instead a mass was found in his stomach, and he was diagnosed with Gastric Adenocarcinoma. Things have been financially difficult for the Kedzierski family as Maciej has not worked since his diagnosis and does not know when he might be able to return to work. With your help, the Cranberry CUP is hopeful to lessen Maciej's financial burden so that he may focus on healing. We know that you will all rally around Maciej to support him and his family while they deal with his health issues.

As we head full steam into our third decade for the Cranberry CUP with our earliest sold-out golf field and nearly 40 softball teams, the CUP continues to serve as a reminder on how our community overcame a national health crisis and came together to unite people once again. We are all looking forward to seeing everyone throughout the weekend and it is good to be back.

All the best,
Anthony Bertolino
Cranberry CUP President

THE KEDZIERSKI FAMILY

Inspirational Family of 2021

We are very pleased to announce that the Kedzierski Family has graciously accepted to be the Cranberry CUP's 2021 Inspirational Family.

Maciej Kedzierski, his wife Lama and their 5 children are 11-year residents of Cranberry Township residing in the Pinehurst neighborhood. For the past 15 years, Maciej has been a dedicated emergency room doctor at Butler Memorial Hospital. As a frontline worker, Maciej continued caring for patients during the Covid pandemic. In March 2021, he went in for what he believed was going to be a routine endoscopy, but instead a mass was found in his stomach, and he was diagnosed with Gastric Adenocarcinoma. A few weeks before his diagnosis, Maciej developed a limp that he thought was from jogging too much. It turned out to be a stress fracture in his hip due to bone weakening from the cancer. Before they could treat the cancer, they had to replace his fractured hip and administer radiation to his hip and spine to prevent worsening.

The published prognosis on this type of cancer is not promising, but Maciej is optimistic about new treatments for this disease such as immunotherapy, which is the treatment he is currently undergoing along with the standard chemotherapy regimen. Every two weeks Maciej goes to a clinic for several hours to receive infusions and for the next 48 hours returns home with a pump to complete his treatment.

Since his diagnosis, Maciej has not been able to work, and the financial hardships on the family are great. It is the goal of the Cranberry CUP to relieve some of their financial burdens so that Maciej may focus on healing. He says that he and his family remain hopeful and are extremely grateful for all the people who are praying for him. Maciej is exactly what an inspirational person should be. Someone whose life changed in 'a blink of an eye' but inspires those around him by his positive outlook. He believes that as bad as things are getting, it has allowed him and his wife to focus on the things that really matter in life: their awesome children and their love for each other.

Maciej's positivity comes from some of the wonderful teachers in his life—one of them asked a simple question, "If you met yourself, would you like yourself?" Maciej said, "I have always tried to live in such a way that I would like the person I met." Another thought that holds truth for him is by Booker T. Washington, "No race can prosper till it learns that there is as much dignity in plowing a field as in writing a poem." To Maciej, this means that even the menial tasks we have to do have inherent dignity and value that can't be ignored without making the world poorer for it.

Since his diagnosis, he has constantly had to face and fight even when he would rather have just rolled up into a ball and cried. The last lines of *Ulysses* by Alfred, Lord Tennyson has kept him upright:

*"One equal temper of heroic hearts,
Made weak by time and fate, but strong in will
To strive, to seek, to find, and not to yield."*

Maciej believes that regardless of how bad things get, these words remind him that while he may not choose his time or fate, it is his choice to yield or not. That choice is his and he will not yield!

Cranberry Township EMS
is proud to support the Cranberry CUP
and the entire community throughout the year.

Please check out the listing of free health, wellness and safety programs we offer to community members at www.cranberrytownshipems.org under the Community Health tab.

THANK YOU, BLUE!

We couldn't do it without you!

For 21 years, the Cranberry CUP has celebrated a growing legacy of community spirit, generosity and volunteerism. Our "men and women in blue" are one very special group of volunteers who return year after year to ensure the honor of the CUP tournament. Unlike many of our players, their fate is not to cross the plate to the cheers of the crowd, but to call it like they see it. Their job is perhaps the toughest of all, and yet they give up their weekends each year, stand in the hot sun for hours on end and continue to make the tough calls. Their hearts are in the game every bit as much as the players because they are there to make a positive difference, emotionally and financially, for members of our own community who are in need. As you continue your quest for the CUP trophy this weekend, please remember to thank our umpires. They are a fitting crew to watch over the honor of the game.

THE CRANBERRY CUP

A History of Growth and Giving

The Cranberry CUP has expanded its activities and its ability to raise funds since its inception. This success is due entirely to the dedication of volunteers and the generosity of individuals, neighborhoods, businesses and government agencies. The CUP currently raises money through registration fees, raffle ticket sales, individual and business contributions, and corporate sponsorships. Many individuals and companies also donate essential products and services, or provide them at a reduced rate. A brief look back follows.

2000 – Seven neighborhoods competed in the first Cranberry CUP Softball Tournament to raise \$3,800 for the American Cancer Society.

2001 – Fourteen neighborhoods raised \$14,000 for the children of Township Police Officer JoEllen Maughn-Evanson's Scholarship Fund. The event featured the addition of the now annual Kick-off Party.

2002 – Local businesses and government agencies entered their first teams in the Softball Tournament. Twenty-three neighborhoods and four open division teams raised \$23,500 for Pennsylvania State Trooper, Bob Newton.

2003 – Thirty neighborhood and 12 business/government teams raised \$40,000 to offset medical costs for 13-year-old Kayla Sansone.

2004 – Thirty-six neighborhood and 12 open division teams raised \$55,000 for 15-year-old Alex Poust.

2005 – The CUP held the first of what is now the annual Golf Classic. Twenty-three neighborhood and 13 business teams competed in the Classic. The CUP raised \$75,000 to help with medical costs for seven-year-old Isabella Christenson and nine-year-old Dakota Dore.

2006 – The Cranberry CUP raised more than \$140,000 to help the Sherri and Doug Maybee family as well as seven other local families.

2007 – For the first time, the Cranberry CUP acquired sponsors for all three major components of the CUP weekend – the Golf Classic, Kick-off Party and Softball Tournament. In addition, the CUP expanded its geographic boundary to include potential beneficiaries from within the entire Seneca Valley School District. More than \$115,000 was raised. The primary beneficiary was the Bob Giebel Family of Harmony.

2008 – The events raised more than \$115,000 and the Cranberry CUP was able to provide financial assistance and emotional support to Emil Steinmetz while he awaited a heart transplant and other families within our community. Thirty-nine foursomes competed in the Golf Outing and the Kick-off Party was attended by approximately 450 people. The Opening Ceremony was attended by more than 2,000 people.

2009 – A Decade of Giving! The CUP helped the Jimmy Barbarino Family complete their new Habitat for Humanity home. Thirty-two neighborhoods and 21 corporate teams competed in the softball tournament during our first rainy weekend in 10 years! Additionally, due to the long-standing success of the CUP, additional funds were available to provide financial assistance and emotional support to other families within our community during the holidays.

2010 – The Surman Family was selected as the Inspirational Family. Along with financial assistance for the Surman Family, we also donated \$1000 each worth of gifts to six families in need from Seneca Valley School District during the holidays. During this year, we also established two scholarships for high school seniors: one scholarship for volunteerism and the other in honor of Megan O’Shea Durst for work with children and disabilities.

2011 – Cranberry resident, Shawn O’Donnell, a former Social Studies teacher at Keystone Oaks and a Driving Education Instructor for Seneca Valley School District, his wife Tina along with their children Nathan, Alex, Brayden, and Mia served as the Inspirational Family. The CUP also donated holiday gifts to five disadvantaged families from the Seneca Valley School District. Additionally, two \$1000 scholarships were awarded to Seneca Valley Seniors.

2012 – Eight-year-old Cheyannia Marburger served as the Inspirational Person. The CUP helped to provide Cheyannia with many positive and uplifting experiences during the last few months of her short life. The CUP officially surpassed the million dollar mark in fundraising since its inception!

2013 – Kim Long and her children, were the 2013 Inspirational Family. Kim, who was diagnosed with Hodgkin’s Lymphoma in June 2012, underwent six cycles of chemotherapy over a 6 month period and a five week intensive daily radiation program in 2013. She most recently underwent a Stem Cell Transplant. The CUP gave two \$2000 scholarships and provided holiday gifts to 5 Seneca Valley families in need.

2014 – The Cranberry CUP rallied around the Koliscak family in 2014 to support Jason who has been battling chronic liver disease and bile duct cancer. In addition to our Inspirational Family, the \$132K raised throughout the year also helped to support Kim Long, several families at Christmastime, two scholarship winners and Crystal Giovengo, who received her Alert Dog in October.

2015 – Steve Popson and his family were the 2015 Inspirational Family. Steve suffered from congestive heart failure and the illness took a toll on his family both financially and emotionally. Through his hardship, Steve helped to spread the word about the health risks of energy drinks. The CUP helped the Popsons purchase a home, which enabled Steve’s wife, Shelby, to open an in-home childcare business. Shelby can now stay home with their children, help Steve and provide income for the family. Steve’s health is improving, and the family is adjusting to their new modified lifestyle. Additionally, two \$2,000 scholarships were also awarded this year and the CUP provided holiday gifts to several families.

More History on next page >

2016 – Jordan Majcan was inspiration in 2016. Jordan was severely injured in a car accident in 2015. The family struggled to take care of Jordan's physical challenges in their small home, so the Cranberry CUP, along with the efforts of the community and local churches helped to relieve their stress by putting a handicap accessible addition onto the Majcan home. This year, the CUP held its inaugural Good Friday Golf Outing, added a motorcycle run to help raise funds, awarded two \$2,000 scholarships, and helped several families at Christmas time.

2017 – In 2014, Paul Bliss was diagnosed with cancer which led to him losing his right eye. He also underwent risky surgery to remove cancer from the brain lining of his forehead. After 6 weeks of radiation, it seemed the cancer was gone. But in 2016, Paul learned he had cancer in his liver and has been getting treated with chemotherapy. The Cranberry CUP community helped Paul and his family with financial support so that they could concentrate on Paul's treatment. The CUP also awarded two \$2,000 scholarships and helped the Cragg family and Angel family with financial needs. Unfortunately, Paul passed away on August 26, 2020. He is lovingly remembered by his wife Jennifer and four children, Caitlin, Shawn, Natalie, and Carter.

2018 – The CUP held its first Wine event at Vines in order to help raise funds for our families in need. The Duran family became our Inspirational Family as Maddox, aka SuperMad, stole all of our hearts with his fight against Spina Bifida. At less than 24 hours old, baby Maddox had his first of many surgeries to try to relieve some of the pain he was experiencing due to his illness. He also battled Chiari ii malformation, dysgenesis of the Corpus Callosum and Colpocephaly. Because of all of his neurological disorders and his periods of oxygen deprivation, Maddox had Cortical Visual Impairment. Despite his illnesses, SuperMad had a heart-warming personality. The Cranberry CUP community provided financial support, prayers and love to the Duran family during their difficult time. Maddox earned his angel wings in May 2021. The CUP purchased a memorial brick for the Miracle League Field in honor of Maddox. In addition, a \$2,000 scholarship was awarded and the CUP funded a deck necessary to help a handicapped young boy in 2018.

2019 – David Pritchard and his family were the 2019 Inspirational Family. In 2015 David was diagnosed with a serious medical condition known as C-diff, Clostridium Difficile. Because of his suppressed immune system due to a kidney transplant 13 years ago, this was an extremely serious illness for him. Later in 2016, David was diagnosed with tongue and tonsil cancer. He lost the ability to create saliva and lost the ability to speak clearly. During all of this, David found out that he needed another kidney transplant. The Cranberry CUP community helped David and his family with financial support so that he could focus on his health. And although David did not receive a second kidney transplant, he continues to fight his condition and enjoy time spent with family while encouraging others to become an organ donor. In addition to helping the Pritchards, the CUP remodeled a bathroom to make it handicap accessible, awarded a \$2,000 scholarship to Simren Jayaraman, and provided a Christmas for several families in need.

Playing for Keeps

Whether you're a seasoned veteran or are just getting hooked on the game, the golf in Butler County is far from just "par". Our courses are surrounded by wooded hills and panoramic views! You'll find generous fairways, distinctive greens and a variety of strategically placed features that create a fun and challenging game for scratch golfers and raw beginners alike.

Butler County has eight courses all within thirty minutes of each other. You're never far from a good round of golf, so come on out and tee it up with us!

Playing with the Pros!

The PGA Tri-State Section, along with Butler County Tourism & Convention Bureau, will be hosting the 2021 Butler County Pro-Am Fall Golf Classic — October 3-5, 2021. This three day golf tournament will take place at Slippery Rock Golf Club & Events Center, Butler Country Club and Cranberry Highlands Golf Course.
