ABOUT US

The mission of the Cranberry CUP (Cranberry Community Uniting People) is to strengthen community bonds to offer hope, support, and encouragement to individuals and families facing life's challenges. Our goal is to build a network of care that nurtures compassion, unity, and a sense of belonging, while fostering a culture of giving back to the community.

History of Growth and Giving

Since the year 2000 when founder Cathy Cortazzo brought to life her vision of uniting the community to raise funds for those in need, the Cranberry CUP has continued to grow by expanding its activities and ability to raise funds for many people in need. The success of our Softball Tournament, Golf Classic and Kickoff Party is due entirely to the dedication of volunteers and the generosity of individuals, neighborhoods, businesses and government agencies. The CUP currently raises money through registration fees, raffle ticket sales, individual and business contributions and corporate sponsorships. Individuals and companies also donate essential products and services or provide them at reduced rates.

Since the year 2000, the Cranberry CUP has raised over \$2.5 MILLION DOLLARS for local families who are experiencing extreme financial and medical hardships. The CUP also provides assistance to families within our community during the holidays. In addition, the CUP has established an annual scholarship for community service and volunteerism.

The Cranberry CUP helps Cranberry Township families all year 'round —not just in August!

Emotional Support • Family Services • Community Spirit •
Medical Assistance • Scholarships • Fundraising

Cranberry CUP is a 501(c) (3) organization.

A LETTER FROM THE CUP

Anthony Bertolino, Cranberry CUP President

As the growth in Cranberry Township continues on a steady pace with new apartment buildings popping up, businesses opening and road work expanding, the challenges to keep pace with that growth can be daunting. The Cranberry CUP, which is now entering its 26th year of giving in our community, is facing those challenges to keep up with the growth.

In addition to our annual commitments to our scholarship, park project, and Christmas Family Giving Project, the CUP takes on the support of our Inspirational Family as well as a bundle of other requests for financial help.

Janette Stuphin and her daughter Jade, who will be a senior at Seneca Valley this fall, are this year's Inspirational Family for the CUP. As a single mom Janette remains virtually bed-ridden with stage 4 colon cancer. Her struggles with daily life are on-going. Just like with all of our Inspirational Families in the past, the CUP and our community are here to lift Janette and Jade with not only financial support but with an emotional support as well.

The CUP's spirit of giving started in 2000 when Cranberry resident Cathy Cortazzo gathered up seven neighborhoods to start a small softball tournament to raise some funds in the hopes of uniting our community. A quarter century later the organization and softball tournament continue to make the CUP weekend one of the top events in Cranberry Township. The weekend has expanded over the last two decades to include a golf tournament, kick-off party, corn-hole tournament and a concert in the park. In honor of Cathy's accomplishments of founding and leading the organization from its inception to 2016, the CUP has now named the softball tournament the Cathy Cortazzo Softball Tournament.

All the best,

Anthony Bertolino

Cranberry CUP, president

JANETTE SUTPHIN & DAUGHTER, JADE BUTLER

2025 Inspirational Family

This year, we honor Janette Sutphin and her 17-year-old daughter, Jade. Janette, a 46-year-old single mom, has shown remarkable strength and grace while facing unimaginable challenges.

Diagnosed with Crohn's disease in her twenties, Janette struggled for years with her health but pushed forward, eventually earning a Master's Degree in Business Administration in 2011. Her strength and determination were unwavering.

Years later, Janette received devastating news: stage 4 colon cancer. Despite an initial 95% chance of survival, chemo and radiation proved ineffective. A last attempt at surgery revealed the cancer was too advanced to fully remove. Janette is now bedridden, lovingly cared for by her daughter and mother.

Through it all, Janette remains focused on love—treasuring every moment with Jade and offering her wisdom while she can. Though her prognosis is difficult, her gratitude shines.

"Thank you for seeing us, for showing up for us, and for being the kind of neighbors that make Cranberry a home. You've lifted our spirits, and that is a gift beyond measure."

Janette and Jade are deeply thankful to the Cranberry CUP community for the kindness, generosity, and prayers. Your support has brought comfort, hope, and a true sense of family.

Please keep them in your hearts as Janette continues her fight with courage and grace.

THE CRANBERRY CUP

A History of Growth and Giving

The Cranberry CUP has expanded its activities and its ability to raise funds since its inception. The success is due entirely to the dedication of volunteers and the generosity of individuals, neighborhoods, businesses and government agencies. The CUP currently raises money through registration fees, raffle ticket sales, individual and business contributions, and corporate sponsorships. Many individuals and companies also donate essential products and services, or provide them at a reduced rate. A brief look back follows.

2000 – Seven neighborhoods competed in the first Cranberry CUP Softball Tournament to raise \$3,800 for the American Cancer Society.

2001 – Fourteen neighborhoods raised \$14,000 for the children of Township Police Officer JoEllen Maughn-Evanson's Scholarship Fund. The event featured the addition of the now annual Kickoff Party.

2002 – Local businesses and government agencies entered their first teams in the Softball Tournament. Twenty-three neighborhoods and four open division teams raised \$23,500 for the Pennsylvania State Trooper, Bob Newton.

2003 – Thirty neighborhood and 12 business/government teams raised \$40,000 to offset the medical costs for 13-year old Kayla Sansone.

2004 – Thirty-six neighborhood and 12 open division teams raised \$55,000 for 15-year old Alex Poust.

2005 – The CUP held the first of what is now the annual Golf Classic. Twenty-three neighborhood and 13 business teams competed in the Classic. The CUP raised \$75,000 to help with medical costs for 7-year old Isabella Christenson and 9-year old Dakota Dore.

2006 – The Cranberry CUP raised more than \$140,000 to help the Sherri and Doug Maybee family as well as seven other local families.

2007 – For the first time, the Cranberry CUP secured sponsors for all three major events of CUP weekend—the Golf Classic, Kickoff Party, and Softball Tournament. The CUP also expanded its reach by opening eligibility to potential beneficiaries across the entire Seneca Valley School District. Over \$115,000 was raised, with the primary beneficiary being the Bob Giebel Family of Harmony.

2008 – The events raised over \$115,000, allowing the Cranberry CUP to provide both financial assistance and emotional support to Emil Steinmetz as he awaited a heart transplant, along with several other families in our community. The Golf Outing featured 39 foursomes, the Kickoff Party welcomed approximately 450 guests, and more than 2,000 people attended the Opening Ceremony.

2009 – A Decade of Giving! The CUP proudly supported the Jimmy Barbarino Family in completing their new Habitat for Humanity home. Despite our first rainy weekend in 10 years, 32 neighborhoods and 21 corporate teams still came out to compete in the softball tournament. Thanks to the continued success of the CUP, we were also able to extend financial assistance and emotional support to additional families in our community during the holiday season.

2010 – The Surman Family was honored as the Inspirational Family of the year. In addition to providing them with financial assistance, the Cranberry CUP donated \$1,000 worth of holiday gifts to six families in need within the Seneca Valley School District. This year also marked the establishment of two scholarships for high school seniors—one recognizing outstanding volunteerism, and the other, created in memory of Megan O'Shea Durst, honoring students dedicated to working with children and individuals with disabilities.

2011 – Cranberry resident Shawn O'Donnell—a former Social Studies teacher at Keystone Oaks and a Driver's Education Instructor for the Seneca Valley School District—was honored along with his wife, Tina, and their children Nathan, Alex, Brayden, and Mia as the year's Inspirational Family. The CUP also provided holiday gifts to five families in need from the Seneca Valley School District and awarded two \$1,000 scholarships to graduating Seneca Valley seniors.

2012 – Eight-year-old Cheyannia Marburger was honored as the Inspirational Person of the year. In her final months, the CUP helped provide Cheyannia with joyful and uplifting experiences, as well as a dignified funeral to support her and her family during a heartbreaking time. This year also marked a major milestone, as the CUP officially surpassed \$1 million in total fundraising since its inception.

2013 – Kim Long and her children were named the 2013 Inspirational Family. After being diagnosed with Hodgkin's Lymphoma in June 2012, Kim underwent six cycles of chemotherapy, followed by five weeks of intensive daily radiation in 2013, and most recently, a stem cell transplant. The CUP provided financial assistance to help ease the burden so she could focus on healing. In addition, the CUP awarded two \$2,000 scholarships to Seneca Valley seniors and provided holiday gifts to five local families in need.

2014 – In 2014, the Cranberry CUP rallied around the Koliscak Family to support Jason in his battle with chronic liver disease and bile duct cancer. The \$132,000 raised that year also provided continued support to Kim Long, helped several local families during the holidays, funded two scholarships for Seneca Valley seniors, and assisted Crystal Giovengo in receiving her Alert Dog, trained to detect dangerous drops in her blood sugar levels.

2015 – Steve Popson and his family were honored as the 2015 Inspirational Family. Steve battled congestive heart failure, placing significant emotional and financial strain on the family. Despite his challenges, he became a strong advocate for raising awareness about the health risks of energy drinks. With support from the CUP, the Popsons were able to purchase a home, allowing Steve's wife, Shelby, to open an in-home childcare business—enabling her to care for their children, support Steve, and contribute financially. As Steve's health continues to improve, the family is adjusting to their new lifestyle. That year, the CUP also awarded two \$2,000 scholarships and provided holiday gifts to several families in need.

2016 – Jordan Majcan was named the Inspirational Person of 2016 after suffering severe injuries in a car accident the previous year. As the family faced the challenges of caring for Jordan in their small home, the Cranberry CUP—along with support from the community and local churches—helped ease their burden by funding a handicap-accessible addition to their home. That year also marked the inaugural Good Friday Golf Outing, the introduction of a motorcycle run to raise additional funds, the awarding of two \$2,000 scholarships, and the delivery of holiday support to several families in need.

2017 – In 2014, Paul Bliss was diagnosed with cancer, which led to the loss of his right eye and surgery to remove cancer from his brain lining. After six weeks of radiation, the cancer seemed to be gone, but it returned in his liver in 2016. Paul underwent chemotherapy while the Cranberry CUP community provided financial support to his family, allowing them to focus on his care. That year, the CUP also awarded two \$2,000 scholarships and assisted the Cragg and Angel families. Paul passed away on August 26, 2020, and is lovingly remembered by his wife Jennifer and their four children.

2018 – The CUP held its first Wine Event at Vines to help raise funds for families in need. That year's Inspirational Family was the Durans, as baby Maddox—affectionately known as SuperMad—touched everyone's hearts with his brave fight against Spina Bifida. At less than 24 hours old, Maddox underwent the first of many surgeries. He also battled Chiari II malformation, dysgenesis of the Corpus Callosum, Colpocephaly, and Cortical Visual Impairment due to neurological disorders and oxygen deprivation. Despite it all, SuperMad had a heartwarming personality. The Cranberry CUP community supported the Durans with love, prayers, and financial help. Maddox earned his angel wings in May 2021. The CUP purchased a memorial brick in his honor at the Miracle League Field, awarded a \$2,000 scholarship, and funded a deck for a handicapped boy that year.

2019 – David Pritchard and his family were the 2019 Inspirational Family. In 2015, David was diagnosed with C-diff, a serious illness made worse by his suppressed immune system from a kidney transplant 13 years earlier. In 2016, he was also diagnosed with tongue and tonsil cancer, which affected his ability to speak and produce saliva. During this time, he learned he needed another kidney transplant. The Cranberry CUP community provided financial support so David could focus on his health. Although he didn't receive a second transplant, David continued to fight and cherished time with his family while advocating for organ donation. That year, the CUP also remodeled a bathroom for accessibility, awarded a \$2,000 scholarship to Simren Jayarman, and provided Christmas gifts to families in need.

2021 – The Kedzierski family was the 2021 Inspirational Family. Maciej, an ER doctor, dedicated his life to helping others. In March, he was diagnosed with Gastric Adenocarcinoma after discovering a mass on his stomach. Unable to work, he could no longer support his wife and five children. The Cranberry CUP provided financial and emotional support as he battled the disease. Sadly, Maciej passed away peacefully at home on February 3, 2022. He is remembered for his uplifting spirit, love for his family, and inspiring words. That year, the CUP also provided Christmas for six families, awarded a \$2,000 scholarship, and helped a burn victim by funding the construction of a new bathroom. as badly burned on his face with construction of a new bathroom.

2022 – The Schultz family was the 2022 Inspirational Family. In 2020, Mike Schultz was diagnosed with HPV+ carcinoma on his tonsil and throat. After surgery and seven weeks of chemotherapy, which severely damaged his throat and required a feeding tube, some cancer remained. In 2021, Mike underwent a 13-hour surgery, including an artery transplant from his leg to his neck. Despite further treatments, a small portion of cancer persisted. He faced ongoing hospital stays and now lives with a permanent tracheotomy. The Cranberry CUP supported the Schultz family during this difficult time and continues to ask for prayers on their behalf.

That year, the CUP also helped Kathy Maloney, who is in a wheelchair, by providing a motorized mattress and renovating her bathroom for accessibility. Kathy endured multiple health challenges, including open-heart surgery, 13 follow-up surgeries due to infection, and stage 5 kidney failure requiring dialysis.

In 2022, the CUP also helped Kathy Maloney, who is in a wheelchair, by funding a motorized mattress and bathroom updates for accessibility. After open-heart surgery to replace her aortic valve, Kathy developed a severe infection requiring 13 surgeries. The valve was later replaced again due to a sizing issue. In 2019, she entered stage 5 kidney failure and is now on dialysis.

2023 – On December 4, 2022, 46-year-old father of 3, BJ Forsyth was suddenly killed by a drunk driver. The man who killed BJ was not only drunk, but also high on cocaine when he ran a red light in a rented UHaul and slammed into BJ's car killing him instantly. Over the past 2 years, Jen and her children worked hard to pick up the pieces of their lives. They have struggled financially and emotionally as BJ was the main bread winner of the family and a loving husband and father. They are extremely appreciative of all that the community has done for them.

In addition to helping the Forsyth family, the Cranberry CUP also helped a family whose rented townhouse burned in a fire. The CUP helped them with their lodging at a hotel while helping them find a new home. Once they were in their new townhouse, the CUP helped them purchase furniture and helped with a few other expenses.

The CUP continues to give a \$2,000 scholarship each year, and helped 5 families have a wonderful Christmas.

2024 – In April 2023, Rick Tuite discovered a lump under his chin, which was later diagnosed as squamous cell carcinoma in his neck lymph nodes, along with a spot on his kidney. After starting immunotherapy at Hillman Cancer Center, he underwent a 10-hour surgery in April 2024 to remove the lump, his right mandible, and the floor of his mouth. Surgeons removed 89 lymph nodes and reconstructed his jaw using bone and tissue from his thigh. Rick then completed six weeks of radiation and chemotherapy and now uses a feeding tube, with future dental work needed. A longtime OTR truck driver hauling nuclear power equipment, Rick has been unable to work since December 2023, putting financial strain on his family. Despite the challenges, the Tuites remain hopeful and grateful for the Cranberry community's support. Please keep Rick and his family in your thoughts as he continues his fight.

Nine-year-old Jax Ramierz from Zelienople is battling IPEX Syndrome, a rare autoimmune disease that causes the immune system to attack the body's own organs. Unable to attend school or be in crowds, his only cure is a bone marrow transplant—but his diverse genetic background has made finding a match extremely difficult. Despite adding thousands to the donor registry, including three matches who declined to donate, Jax's family continues to fight for his life. He is now the youngest patient to undergo experimental gene therapy at Stanford. Through your support, the Cranberry CUP is proud to help share Jax's story and assist with costs related to his journey toward healing.

The CUP continues to give a \$2,000 scholarship each year, and helped families in the Seneca Valley School District have a wonderful Christmas.

THANK YOU, BLUE!

We couldn't do it without you!

For 25 years, the Cranberry CUP has celebrated a legacy built on community spirit, generosity, and volunteerism. Among our most dedicated volunteers are the “men and women in blue” — our umpires — who return year after year to uphold the integrity of the tournament. Unlike the players, their moment isn't crossing home plate to the roar of the crowd, but standing firm to make the tough calls, often in the blazing sun, all weekend long. Their role is one of the hardest, yet they do it with heart and purpose. These volunteers give their time not for applause, but to help make a meaningful difference in the lives of families in need. As you chase the CUP trophy this weekend, take a moment to thank our umpires. They are the true guardians of the game's spirit and honor.
