A LETTER FROM THE CUP

Anthony Bertolino, Cranberry CUP President

Every day as we venture through our lives, we are greeted with challenges and hurdles we have to overcome. Some of these challenges are greater than others, but the true test of our character is how we handle those challenges. Just like all of us, the Cranberry CUP is not an exception to facing challenges. As we enter our 24th year of giving and helping those in need in our community, the demand for support has never been greater. Year in and year out, the CUP continues to give to its fixed projects, that include our annual \$2,000 scholarship and our Christmas program, which help struggling families have a meaningful Christmas. The CUP has also made a major commitment to the upgrade of the Cranberry Park Kids Castle. While all of these are worthwhile endeavors for the CUP and have a lasting imprint on our community, this year the CUP is facing one of its biggest challenges.

The CUP is currently supporting two families with the financial demands of daily life. The Schultz family, who was the 2022 inspirational family for the CUP, has had several set-backs with Mike Shultz's medical issues. The family continues to need critical support from the CUP to barely get by. So as we continue to provide ongoing support to the Schultz family, we move forward to our 2023 Cranberry CUP beneficiary who has faced the greatest emotional challenge that anyone could possibly experience in a lifetime.

Shortly before Christmas last year, BJ Forsyth was on his way home from helping his wife with her dog sitting business when the car he was driving was hit by a drunk driver and he was killed. BJ's tragic and untimely death has been devastating on his wife Jennifer and their three children. The CUP selected Jen and her children as our 2023 Cranberry CUP inspirational family because her situation is a constant reminder of the challenges presented to us in life and how quickly our lives can change.

Because we are all fortunate enough to live in such a vibrant, blessed and giving community, the CUP is able to support these families. Supporting two families along with our other projects has been demanding, but we have all risen to the challenge. As we move forward with our CUP weekend events, everyone who participates, volunteers and attends can take pride in knowing that we are all part of a Community Uniting People.

()

All the best,

()

THE FORSYTH FAMILY Inspirational Family of 2023

Meet the Cranberry CUP's 2023 Inspirational Family, The Forsyth Family

The journey of life constantly throws challenges at us, and in a moment one of these challenges can turn our world upside down. Unfortunately, for Jen Forsyth and her family, they experienced a life altering challenge shortly before Christmas on December 4, 2022 when her husband BJ was taken from her and her children in an auto accident.

On his way home from helping Jen with her dog walking business, BJ's car was hit by a drunk driver, and he was killed instantly. Jen and her children's lives are forever changed from this devastating loss.

Jen and BJ met in 1997 at California University of PA and were married 2 years later in November 1999. During their years of marriage, they had 3 children, Brayden 22, KO 19, Emma 15, and lived in many places until settling in Cranberry Township in 2018, where they were finally happy. BJ joined a Masonic Lodge and also became a member of Crossroads Church in Cranberry. One of BJ's favorite jobs was running the slides every Sunday morning. He was a devoted father and never missed an event for his kids. He was always willing to lend a helping hand to a friend, neighbor, or even a stranger. He lived by his favorite saying, "If there is anything I can do for you, just let me know."

It is sad and unfair that such a wonderful person such as BJ was taken so tragically and quickly from his family. The Cranberry CUP has selected Jen and her family as our 2023 Inspirational Family so that the community can rally around them by lifting them up with love and support. Their story is one that could happen to anyone at anytime. Let's show them how we are a Community of Uniting People!

THANK YOU, BLUE! We couldn't do it without you!

For 24 years, the Cranberry CUP has celebrated a growing legacy of community spirit, generosity and volunteerism. Our "men and women in blue" are one very special group of volunteers who return year after year to ensure the honor of the CUP tournament. Unlike many of our players, their fate is not to cross the plate to the cheers of the crowd, but to call it like they see it. Their job is perhaps the toughest of all, and yet they give up their weekend each year, stand in the hot sun for hours on end and continue to make the tough calls. Their hearts are in the game every bit as much as the players because they are there to make a positive difference, emotionally and financially, for members of our own community who are in need. As you continue your quest for the CUP trophy this weekend, please remember to thank our umpires. They are a fitting crew to watch over the honor of the game.

Special Events Annual Wine Tasting Event

This year's wine tasting event was held on June 6, 2023 at The Turn Club in Cranberry Township. Over 150 people attended the event while enjoying various wine and bourbon tastings as well as delicious food prepared by The Turn Club's chef, Pamela Delaude. A special thank you to our sponsor of the event Raymond James.

"Game On" Cornhole Tournament

The 2nd annual cornhole tournament will be held on Sunday, August 6, 2023 from noon to 5:00 pm at Field 3 Cranberry Park. Registration (cranberrycup.org/cornhole-tournment) will remain open until midnight August 5. Walk ups will be accepted until 11:00 am August 6. Cost is \$50 per team with 1st, 2nd, and 3rd place prizes. There will be giveaways and auction baskets also. Whether you are a spectator or participant, come and enjoy a funfilled afternoon of competition honoring the memory of former board member Michele Moore.

THE CRANBERRY CUP A History of Growth and Giving

The Cranberry CUP has expanded its activities and its ability to raise funds since its inception. This success is due entirely to the dedication of volunteers and the generosity of individuals, neighborhoods, businesses and government agencies. The CUP currently raises money through registration fees, raffle ticket sales, individual and business contributions, and corporate sponsorships. Many individuals and companies also donate essential products and services, or provide them at a reduced rate. A brief look back follows.

2000 – Seven neighborhoods competed in the first Cranberry CUP Softball Tournament to raise \$3,800 for the American Cancer Society.

2001 – Fourteen neighborhoods raised \$14,000 for the children of Township Police Officer JoEllen Maughn-Evanson's Scholarship Fund. The event featured the addition of the now annual Kick-off Party.

2002 – Local businesses and government agencies entered their first teams in the Softball Tournament. Twenty-three neighborhoods and four open division teams raised \$23,500 for Pennsylvania State Trooper, Bob Newton.

2003 – Thirty neighborhood and 12 business/government teams raised \$40,000 to offset medical costs for 13-year-old Kayla Sansone.

 (\bullet)

2004 – Thirty-six neighborhood and 12 open division teams raised \$55,000 for 15-year-old Alex Poust.

2005 – The CUP held the first of what is now the annual Golf Classic. Twenty-three neighborhood and 13 business teams competed in the Classic. The CUP raised \$75,000 to help with medical costs for sevenyear-old Isabella Christenson and nine-year-old Dakota Dore.

2006 – The Cranberry CUP raised more than \$140,000 to help the Sherri and Doug Maybee family as well as seven other local families.

2007 – For the first time, the Cranberry CUP acquired sponsors for all three major components of the CUP weekend – the Golf Classic, Kick-off Party and Softball Tournament. In addition, the CUP expanded its geographic boundary to include potential beneficiaries from within the entire Seneca Valley School District. More than \$115,000 was raised. The primary beneficiary was the Bob Giebel Family of Harmony.

2008 – The events raised more than \$115,000 and the Cranberry CUP was able to provide financial assistance and emotional support to Emil Steinmetz while he awaited a heart transplant and other families within our community. Thirty-nine foursomes competed in the Golf Outing and the Kick-off Party was attended by approximately 450 people. The Opening Ceremony was attended by more than 2,000 people.

2009 – A Decade of Giving! The CUP helped the Jimmy Barbarino Family complete their new Habitat for Humanity home. Thirty-two neighborhoods and 21 corporate teams competed in the softball tournament during our first rainy weekend in 10 years! Additionally, due to the long-standing success of the CUP, additional funds were available to provide financial assistance and emotional support to other families within our community during the holidays.

()

2010 – The Surman Family was selected as the Inspirational Family. Along with financial assistance for the Surman Family, we also donated \$1000 each worth of gifts to six families in need from Seneca Valley School District during the holidays. During this year, we also established two scholarships for high school seniors: one scholarship for volunteerism and the other in honor of Megan O'Shea Durst for work with children and disabilities.

2011 – Cranberry resident, Shawn O'Donnell, a former Social Studies teacher at Keystone Oaks and a Driving Education Instructor for Seneca Valley School District, his wife Tina along with their children Nathan, Alex, Brayden, and Mia served as the Inspirational Family. The CUP also donated holiday gifts to five disadvantaged families from the Seneca Valley School District. Additionally, two \$1000 scholarships were awarded to Seneca Valley Seniors.

2012 – Eight-year-old Cheyannia Marburger served as the Inspirational Person. The CUP helped to provide Cheyannia with many positive and uplifting experiences during the last few months of her short life and provided a dignified funeral for Chey and her family. The CUP officially surpassed the million dollar mark in fundraising since its inception!

2013 – Kim Long and her children, were the 2013 Inspirational Family. Kim, who was diagnosed with Hodgkin's Lymphoma in June 2012, underwent six cycles of chemotherapy over a 6 month period and a five week intensive daily radiation program in 2013. She most recently underwent a Stem Cell Transplant. The CUP helped her with financial needs so she could concentrate on healing. The CUP gave two \$2000 scholarships and provided holiday gifts to 5 Seneca Valley families in need.

2014 – The Cranberry CUP rallied around the Koliscak family in 2014 to support Jason who has been battling chronic liver disease and bile duct cancer. In addition to our Inspirational Family, the \$132K raised throughout the year also helped to support Kim Long, several families at Christmastime, two scholarship winners and Crystal Giovengo, who received her Alert Dog in October to help the family identify when her sugar levels would drop.

2015 – Steve Popson and his family were the 2015 Inspirational Family. Steve suffered from congestive heart failure and the illness took a toll on his family both financially and emotionally. Through his hardship, Steve helped to spread the word about the health risks of energy drinks. The CUP helped the Popsons purchase a home, which enabled Steve's wife, Shelby, to open an in-home childcare business. Shelby can now stay home with their children, help Steve and provide income for the family. Steve's health is improving, and the family is adjusting to their new modified lifestyle. Additionally, two \$2,000 scholarships were also awarded this year and the CUP provided holiday gifts to several families.

2016 –Jordan Majcan was the inspirational person in 2016. Jordon was severely injured in a car accident in 2015. The family struggled to take care of Jordan's physical challenges in their small home, so the Cranberry CUP, along with the efforts of the community and local churches helped to relieve their stress by putting a handicap accessible addition onto the Majcan home. This year, the CUP held its inaugural Good Friday Golf Outing, added a motorcycle run to help raise funds, awarded two \$2,000 scholarships, and helped several families at Christmas time.

2017 – In 2014, Paul Bliss was diagnosed with cancer which led to him losing his right eye. He also underwent risky surgery to remove cancer from the brain lining of his forehead. After 6 weeks of radiation, it seemed the cancer was gone. But in 2016, Paul learned he had cancer in his liver and has been getting treated with chemotherapy. The Cranberry CUP community helped Paul and his family with financial support so that they could concentrate on Paul's treatment. The CUP also awarded two \$2,000 scholarships and helped the Cragg family and Angel family with financial needs. Unfortunately, Paul passed away on August 26, 2020. He is lovingly remembered by his wife Jennifer and four children, Caitlin, Shawn, Natalie, and Carter.

2018 – The CUP held its first Wine event at Vines in order to help raise funds for our families in need. The Duran family became our Inspirational Family as Maddox, aka SuperMad, stole all of our hearts with his fight against Spina Bifida. At less than 24 hours old, baby Maddox had his first of many surgeries to try to relieve some of the pain he was experiencing due to his illness. He also battled Chiari ii malformation, dysgenesis of the Corpus Callosum and Colpocephaly. Because of all of his neurological disorders and his periods of oxygen deprivation, Maddox had Cortical Visual Impairment. Despite his illnesses, SuperMad had a heart-warming personality. The Cranberry CUP community provided financial support, prayers and love to the Duran family during their difficult time. Maddox earned his angel wings in May 2021. The CUP purchased a memorial brick for the Miracle League Field in honor of Maddox. In addition, a \$2,000 scholarship was awarded and the CUP funded a deck necessary to help a handicapped young boy in 2018.

2019 – David Pritchard and his family were the 2019 Inspirational Family. In 2015 David was diagnosed with a serious medical condition known as C-diff, Clostridum Diffcile. Because of his suppressed immune system due to a kidney transplant 13 years ago, this was an extremely serious illness for him. Later in 2016, David was diagnosed with tongue and tonsil cancer. He lost the ability to create saliva and lost the ability to speak clearly. During all of this, David found out that he needed another kidney transplant. The Cranberry CUP community helped David and his family with financial support so that he could focus on his health. And although David did not receive a second kidney transplant, he continues to fight his condition and enjoy time spent with family while encouraging others to become an organ donor. In addition to helping the Pritchards, the CUP remodeled a bathroom to make it handicap accessible, awarded a \$2,000 scholarship to Simren Jayaraman, and provided a Christmas for several families in need.

2021 - The Kedzierski family was our 2021 Inspirational family. Maciej dedicated his life to helping others as an emergency room doctor. In March he found out that he had a mass on his stomach and was diagnosed with Gastric Andenocarcinoma. Due to his cancer, Maciej could no longer work and support his wife and 5 children. The Cranberry CUP raised funds to give his family financial and emotional support while he battled his disease. Unfortunately, Maciej lost his battle and passed peacefully in his home on February 3, 2022. Maciej's inspirational words, upbeat attitude and love of his family are what people will remember about him. Six Christmas families were also given a Christmas this year and a \$2,000 scholarship was awarded as well as helped a resident who was badly burned on his face with contruction of a new bathroom.

2022- The Schultz family was our 2022 Inspirational family. In 2020, Mike Shultz had a biopsy and CT scan due to pain in his mouth. The result was Carcinoma with HPV+ on his tonsil and back of his throat. Mike had surgery to remove the tonsil and hopefully the cancer. He completed 7 weeks of chemotherapy which destroyed his throat, and therefore, Mike needed a feeding tube. Unfortunately, some cancer still remained and Mike had to undergo a 13 hour surgery in 2021. He also needed an artery transplant from his right leg to his neck. Still, a small piece of the cancer remained in the back of his tongue. Mike went through some experimental treatments, but nothing seemed to work. Mike has been in and out of the hospital this past year due to complications from the cancer and the treatments. During his last stay at the hospital, it was touch and go for Mike. Although Mike made a recovery and was able to go home, he now has a permanent tracheotomy. Please continue to pray for Mike and the Shultz family.

In addition to helping the Schultz family in 2022, the CUP also helped Kathy Maloney purchase a motorized mattress and update her bathroom for handicap accessibility, as she is in a wheelchair. Kathy had open heart surgery to replace her aortic valve which ended in an infection down to her breast bone. After 13 surgeries to clean out the infection, she had to replace the same valve because it was the wrong size. In 2019, she went into stage 5 kidney failure and is on dialysis.

The CUP continues to give a \$2,000 scholarship each year, and helped 8 families have a wonderful Christmas.

Corporate trail blazer. Community groundbreaker. Leading donor. A life well planned can offer each of us – any of us –

THE POWER TO GIVE.

The causes that inspire you are as unique as the life you lead. We all live and give differently, but the support of the right financial partner has the power to multiply generosity. It's our privilege to help people make an impact – and to make our own.
